The NELAC Standards were revised and approved at the Fourth Annual Meeting in San Antonio. This Interim Meeting will provide the NELAC Standing, Administrative, and Ad Hoc committees an opportunity to conduct face-to-face working sessions with all NELAC stakeholders. Please plan to attend to learn about the proposed revisions for the current standards. The preliminary agenda, along with registration, travel, and lodging information, will be made available in a pre-meeting announcement to be mailed later this month. Watch for yours!
